All attendees will have the opportunity to present five (5) minute oral statements regarding the draft AOC and/or to submit written comments and data. Written comments can also be sent during the public comment period beginning Friday, March 11, 2022 and ending Monday, April 25, 2022 to the following address:

Adam Ulishney, Hazardous Waste Section Chief

Division of Waste Management, NCDEQ

MSC 1646

Raleigh, NC 27699-1646

All data submitted by the applicant is part of the administrative record and available at

<https://deq.nc.gov/about/divisions/waste-management/laserfiche>. Documents may be located by using the EPA ID# NCR000147280. The draft modified permit and fact sheet can also be found online at the following location: <https://deq.nc.gov/public-notices-hearings> under the Division of Waste Management.

The draft AOC has been prepared for PNG to conduct groundwater remediation at the facility under the Federal Resource Conservation and Recovery Act (RCRA).

All comments received during the public comment period or at the hearing will be considered in the decision regarding this AOC. Comments received after the public comment period ends will not be considered. The statutory authority for calling the permit hearing is G.S. 130A-294(f). Applicable State rules are found in the North Carolina Hazardous Waste Management Rules 15A NCAC 13A .0105, .0109, and .0113. These rules adopt the requirements of the Federal Resource Conservation and Recovery Act as amended by the Hazardous and Solid Waste Amendments of 1984.
