

Determination of Minor Construction Activity

North Carolina Division of Water Infrastructure

Project Applicant: City of Brevard
Date: May 13, 2014
Project Number: CS370476-06
Estimated Project Cost: \$1,465,000
Estimated Funding Amount: \$1,435,784

Project Description: The proposed project will replace aging sewer lines that have deteriorated and are obsolete material. The project will include the following: (1) replace approximately 8,500 linear feet of 8-inch VCP gravity sewer with 8-inch PVC sewer, (2) replace approximately 38 brick manholes with precast manholes, and (3) replace approximately 120 service laterals.

The above named applicant intends to apply for assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Infrastructure (DWI) has conducted a review of the project in accordance with the procedures (NCAC 15A Subchapter 1C) for conformance with the North Carolina Environmental Policy Act. The DWI has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by DWI and will be available on the DWI Infrastructure Finance Section's website (<http://portal.ncdenr.org/web/wq/ifs/er/fonsis>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environment and Natural Resources, Division of Water Infrastructure, Infrastructure Finance Section, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Facilities Evaluation Unit, Infrastructure Finance Section, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Kim H. Colson, P.E., Director
Division of Water Infrastructure, NCDENR
