### North Carolina Division of Water Infrastructure

Project Applicant: Bay River Metropolitan Sewer District  
Date: September 18, 2015  
Project Number: CS370683-04  
Estimated Project Cost: \$760,589  
Estimated Funding Amount: \$745,675

**Project Description:** The proposed project is Phase 2 of a sewer rehabilitation project in the Town of Oriental to reduce inflow and infiltration in the collection system. Phase 2 includes the following: rehabilitation of Pump Stations No. 1, No. 2, No. 3, No. 6, and No. 7, replacement of approximately 400 LF 8-inch gravity sewer and replacement of 60 LF 12-inch gravity sewer, and replacement of approximately 72 manholes.

The above named applicant will receive funding assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the procedures (NCAC 15A Subchapter 1C) for conformance with the North Carolina Environmental Policy Act. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<http://portal.ncdenr.org/web/wi/fonsi-dmca-ce>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environment and Natural Resources, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Seth Robertson, P.E., Chief  
State Revolving Fund Section  
Division of Water Infrastructure
