## North Carolina Volkswagen Settlement Duke Energy Make Ready Credit Certification

You may apply for the Duke Energy Charger Prep Credit after you have installed your infrastructure if the invoiced costs of that installation are greater than the amount you were awarded in any applicable Volkswagen Settlement Program grant. This credit may be used to cover excessive costs (over the amount awarded) and/or mandatory or voluntary cost-shares. If you apply and receive a Duke Energy Charger Prep Credit, it must be disclosed in your VW Settlement Program claim documentation for your claim to be processed. You will also be required to disclose whether you received NC-VW funding on the Duke Energy Charger Prep Credit application.
