This facility applied for an Air Quality Title V Operation Permit which meets the requirements specified in 15A North Carolina Administrative Code 2Q.0500.

Persons wishing to submit written comments or request a public hearing regarding the Air Quality Title V Operation Permit are invited to do so. Requests for a public hearing must be in writing and include a statement supporting the need for such a hearing, an indication of your interest in the facility, and a brief summary of the information intended to be offered at such hearing. The Public comment period begins on March 30, 2022 and will run through April 29, 2022.

Written comments or requests for a public hearing should be postmarked no later than April 29, 2022 and addressed to Alice Wessner, Division of Air Quality, 1641 Mail Service Center, Raleigh, North Carolina 27699-1641.

Written comments may also be submitted during the public comment period via email at the following address:

daq.publiccomments@ncdenr.gov  
Please type "DSI.20A" in the subject line.

All comments received prior to this date will be considered in the final determinations regarding the Air Quality Permit. A public hearing may be held if the Director of the DAQ determines that significant public interest exists or that the public interest will be served.

Interested persons may obtain additional information, including copies of the permit, application, all other relevant supporting materials, and all other materials available to DAQ that are relevant to the permit decision by writing to the above address or calling Alice Wessner at 919-707-8452.

Interested persons are encouraged to review these materials during normal business hours at either of the following locations.
