

**PUBLIC NOTICE**  
**PRELIMINARY DETERMINATION REGARDING APPROVAL**  
**OF AN AIR PERMIT APPLICATION**

The North Carolina Department of Environmental Quality, Division of Air Quality hereby gives notice that the following facility has applied for a permit to construct and operate a boat manufacturing facility at the following location.

World Cat Greenville  
601 Staton Road  
Greenville, NC 27834  
Pitt County

This facility's application was reviewed by the DAQ to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations. This notice serves as a notice of opportunity for public comment for this proposal. The public comment period begins on May 24, 2022 and will run through June 23, 2022.

A copy of all data and the application submitted by World Cat Greenville and other material used by the DAQ in making this preliminary determination are available for public inspection on the NCDEQ/DAQ website or during normal business hours at the following locations:

NC DEQ  
Division of Air Quality  
Permitting Section  
217 West Jones Street, Suite 4000  
Raleigh, NC 27603

or

Washington Regional Office  
943 Washington Square Mall  
Washington, NC 27889

Information on the permit application and the staff review are available by writing or calling.

Jeff Twisdale  
1641 Mail Service Center  
217 West Jones Street, Suite 4000  
NC Division of Air Quality  
Raleigh, NC 27699-1641  
919.707.8472

Interested persons are invited to review these materials and make comments to the address indicated above. Written comments may also be submitted during the public comment period via email at the following address: [daq.publiccomments@ncdenr.gov](mailto:daq.publiccomments@ncdenr.gov). Please type " WorldCat.20A " in the subject line. Comments must be postmarked no later than June 23, 2022. Additionally, comments may also be made using the call-in option at 919.707.8429, comments will be accepted until 5 p.m. on June 23.

After weighing relevant comments received and other available information on the project, the DAQ will act on the World Cat Greenville application.
