

PUBLIC NOTICE
PRELIMINARY DETERMINATION REGARDING APPROVAL OF
AN AIR PERMIT APPLICATION

The North Carolina Department of Environmental Quality, Division of Air Quality hereby gives notice that the following facility has applied for a permit to construct and operate a boiler to fire used poultry bedding, a lime storage silo and related control equipment at the following location:

Carolina Poultry Power RG3, LLC
Brothers Road
LaGrange, NC 28551
Lenoir County

This facility's application for the proposed facility was reviewed by the DAQ to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations. This notice serves as a notice of opportunity for public comment for this proposal. The public comment period began on July 18, 2022 and will run through September 16, 2022.

A copy of all data and the application submitted by Carolina Poultry Power RG3, LLC and other material used by the DAQ in making this preliminary determination are available for public inspection on the NCDEQ/DAQ website or during normal business hours at the following locations:

NC DEQ		Washington Regional Office
Division of Air Quality	or	943 Washington Square Mall
Air Permits Section		Washington, NC 27889
217 West Jones Street, Suite 4000		
Raleigh, NC 27603		

Information on the permit application and the staff review are available by writing or calling.

Kurt Tidd
943 Washington Square Mall
N.C. Division of Air Quality
Washington, NC 27889
252-948-3827

Interested persons are invited to review these materials and make comments to the address indicated above. Written comments may also be submitted during the public comment period via email at the following address: daq.publiccomments@ncdenr.gov. Please type "CPP.22A" in the subject line. You may also leave a voicemail comment at 919-707-8726. Comments must be postmarked no later than September 16, 2022.

After weighing relevant comments received and other available information on the project, the DAQ will act on the Carolina Poultry Power RG3, LLC application.

Mark J. Cuilla, EIT, CPM
Chief, Permitting Section, NCDEQ
