PUBLIC HEARING FOR DRAFT RENEWAL PERMIT CLEAN HARBORS REIDSVILLE, LLC

This is to notify the public of the issuance by the North Carolina Division of Waste Management's Hazardous Waste Section of a draft renewal permit for Clean Harbors Reidsville, LLC located at 208 Watlington Industrial Drive in Reidsville North Carolina.

A Public Hearing will be held **Thursday September 7th at 11:30 am** in the meeting room of the Reidsville library at 204 W. Morehead Street in Reidsville, North Carolina. All attendees will have the opportunity to present five (5) minute oral statements regarding the draft renewal permit and/or to submit written comments and data. Written comments can also be sent during the public comment period of **August 2 – September 16, 2023**, to the following address:

Adam Ulishney, Hazardous Waste Section Chief
Division of Waste Management, NCDEQ
MSC 1646
Raleigh, NC 27699-1646

All data submitted by the applicant is part of the administrative record and available at <https://deq.nc.gov/about/divisions/waste-management/laserfiche>. Documents may be located by using the EPA ID# **NCD000648451**. The draft renewal permit and factsheet can be found online at: <https://deq.nc.gov/public-notice-hearings> under the Division of Waste Management.

A summary of the hazardous waste permit follows: Clean Harbors is a commercial hazardous waste storage and treatment facility which accepts RCRA listed and characteristic wastes from various industrial, institutional and government clients located both in and out of state. Wastes are received at the site and ultimately shipped to appropriate approved disposal facilities after bulking, treating, or consolidating into truckload quantities. Minor treatment activities include small container shredding, solidification, and labpack deactivation. The current facility container storage capacity is 619,902 gallons in six existing buildings. The renewal permit regulates hazardous waste container management in these six buildings and includes additional container and tank units in four proposed buildings.

All comments received during the public comment period or at the hearing will be considered in the decision regarding this renewal permit. Comments received after the public comment period ends will not be considered. The statutory authority for calling the permit hearing is G.S. 130A-294(f). Applicable State rules are found in the North Carolina Hazardous Waste Management Rules 15A NCAC 13A .0105, .0109, and .0113. These rules adopt the requirements of the Federal Resource Conservation and Recovery Act as amended by the Hazardous and Solid Waste Amendments of 1984.
