N.C. DEPARTMENT OF ENVIRONMENTAL QUALITY REQUEST FOR PUBLIC COMMENT ON DRAFT COAL ASH POND CLOSURE PLAN FOR DUKE ENERGY PROGRESS' DAN RIVER STEAM STATION IN ROCKINGHAM COUNTY

CLOSURE PLANS SUBMITTED

Duke Energy Progress, LLC has submitted to the Department of Environmental Quality proposed draft coal ash pond closure plans for the four coal ash facilities classified as high priority by the Coal Ash Management Act 2014. The proposed draft closure plans are currently under review by department staff and are not yet complete. A copy of the proposed draft closure plan for the Dan River facility may be reviewed at the Rockingham County Health Department, Eden Public Library or online at: <https://deq.nc.gov/about/news/hot-topics/coal-ash-nc/closure>.

PUBLIC COMMENTS

The public is encouraged to provide feedback on the draft proposed closure plans. All comments received by April 5, 2017 will be considered in determining whether the plan will be approved by the state. Written comments may be submitted to: Debra Watts, Division of Water Resources, Attn: Debra Watts, 1636 Mail Service Center, Raleigh, N.C., 27699-1611. Public comments may also be submitted by email to: danrivercomments@ncdenr.gov.

PUBLIC MEETING

In accordance with state law, the department will hold public meetings to provide information and receive comments in each county where the four high priority coal ash facilities are located. The public meeting for the Dan River Steam Station in Rockingham County will be held at 6 p.m. March 14 at Eden City Hall, 308 East Stadium Dr., Eden, N.C., 27288. Speaker registration will begin at 5:30 p.m.
