

# TERRAPIN TALLY 2023

## CALLING ALL COMMUNITY SCIENTISTS

The NC Wildlife Resources Commission & partners need volunteers to conduct kayak surveys to document diamondback terrapin sightings in the creeks and marshes of NC. If you like to kayak and have a smart phone, you can help!

**WANTED:** Teams of 2 kayakers to paddle pre-defined routes and record diamondback terrapin sightings  
*(Equipment NOT provided)*

**WHEN?** Two-hour data collection sessions available on  
**May 4-7, May 18-21, & June 1-4**  
*(Times vary—choose to paddle one or more days)*

**WHERE?** Various coastal locations from Brunswick County to Carteret County, NC *(Choose one or more from a defined list)*

**WHY?** Contribute to a database that helps biologists understand the density, distribution, & trends of this species of special concern

**Training is Mandatory - Register required! - terrapintallync.org**

Complete the pre-training and select one live training:

Virtual option—April 11, 6-7:30 pm OR

In-person options—April 13, 6-7:30 pm at UNCW in Wilmington OR

April 15, 10-11:30 am at Pine Knoll Shores Aquarium

Register, view list of locations and times, & learn more about terrapins at [terrapintallync.org](http://terrapintallync.org)
