Re: CAMA Variance Request by N.C. State Ports Authority
2202 Burnett Blvd, Wilmington, NC

Dear Sir or Madam:

This is to notify you that the N.C. State Ports Authority is applying for a variance from the North Carolina Coastal Resources Commission to allow for the installation of a vertical submerged toe wall, removal of the wooden Chevron Pier, and dredging in the Cape Fear River to widen the existing ship turning basin. A copy of the Variance Petition may be found at the following link:

<https://files.nc.gov/ncdeq/Coastal%20Management/documents/Legal/COMPLETE-NCSPA-VARIANCE-PETITION-3-25-19.pdf>

The variance is expected to be heard at the April 17-18, 2019 meeting of the Coastal Resources Commission. If you wish to receive further information concerning the variance, you may contact me. If you wish to make comments on the variance, you may direct your comments to the North Carolina Division of Coastal Management, 127 Cardinal Drive Extension Wilmington, NC 28405. You may also contact a Division of Coastal Management representative at (910) 796-7270. If you have any questions or comments regarding this communication, please do not hesitate to contact me at (919) 707-4526. Thanking you very much for your time and consideration in this matter, I am

Very truly yours,
