

Bertie County CAMA Land Use Plan
Status Report
March 1, 2018

Action Plan & Schedule 2009-2018

FY 09/10 - Review/Update Flood Damage Prevention Ordinance

Status – *Completed*

- The Flood Damage Prevention Ordinance was updated and adopted with an effective date of February 4, 2009.
- New amendments to ordinance may be in the near future that address issues with recent flooding events.

FY 14/15– Public Access Inventory/long range plan

Status – *In progress*

- The county purchased a large waterfront property and is working with consultants to develop a plan for the property to provide adequate and safe public access to the Albemarle Sound.

FY 14/15-FY15/16 – Review Subdivision Regulations: waterfront access, shoreline buffer requirements

Status – *Delayed*

- The Subdivision Ordinance has not been reviewed for amendments by the Planning Board at this time.
- The Planning Board will review and consider amending the Subdivision Ordinance in the next two years.

FY 14/15-FY15/16 – Update Multi-Jurisdictional Hazard Mitigation Plan

Status – *Completed*

- The Multi-Jurisdictional Hazard Mitigation Plan was adopted June 5, 2017.

FY 16/17-FY17/18 – Create Heritage Tourism Program

Status – *Delayed/In beginning stage*

- The county will be working towards development of a heritage tourism program including, but not limited to the acknowledgment of recent findings of the probable Lost Colony Site X in Bertie County. It is recognized by County officials that this can be a major economic drive in the county and has great potential for tourism.
