**7015 0640 0007 8168 4423**

Dominion Energy Transmission Inc. on behalf of  
Atlantic Coast Pipeline, LLC  
Attn: Leslie Hartz – Vice President Pipeline Construction  
707 East Main Street  
Richmond, VA 23219

RE: Project Name: Dominion Transmission Inc. on behalf of Atlantic Coast Pipeline LLC  
Atlantic Coast Pipeline Project Pipe Yard (PY 09-B)  
Acres: 12.61  
Project ID: HARNE-2019-088  
County: Harnett City: Dunn Address: East Point Way/NC55 East Ext.  
River Basin: Cape Fear  
Stream Classification: Other  
Submitted By: Dominion Energy Services, Inc.  
Date Received by LQS: May 20, 2019  
Plan Type: New

Dear Ms. Hartz:

The erosion and sedimentation control plan submitted for the subject project has been reviewed and is disapproved for the reasons on the attached sheet.

You may submit a revised erosion and sedimentation control plan for approval addressing those items outlined on the enclosed form. Under the authority of NCGS 113A-54.1(a), this office has 15 days from the date of receipt to approve or disapprove your revised plan. However, if you wish to contest the disapproval of this plan, you must request an administrative hearing within 60 days of your receipt of the Letter of Disapproval. This request must be in the form of a written petition, conforming to Chapter 150B of the North Carolina General Statutes, and filed with the Office of Administrative Hearings, 6714 Mail Service Center, Raleigh, North Carolina, 27699-6714. A copy of the petition must be served on this Department as follows:

North Carolina Department of Environmental Quality | Division of Energy, Mineral and Land Resources  
Fayetteville Regional Office | 225 Green Street, Suite 714 | Fayetteville, North Carolina 28301  
910.433.3300

Office of General Counsel  
Department of Environmental Quality  
1601 Mail Service Center  
Raleigh, NC 27699-1601

Pending approval of a revised plan or a decision on an appeal, commencement of any land-disturbing activity associated with this project shall constitute a violation of the Sedimentation Pollution Control Act of 1973 (NCGS 113A-51 through 66).

Please feel free to contact Chris Baker in this office at your convenience if you have any questions or if we can provide any assistance in resolving this matter.

Sincerely,

Timothy L. LaBounty, PE  
Regional Engineer
