NOTICE OF REVISED SCHEDULE FOR ENVIRONMENTAL REVIEW OF  
THE ATLANTIC COAST PIPELINE AND SUPPLY HEADER PROJECT

(May 12, 2017)

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the environmental impact statement (EIS) for Atlantic Coast Pipeline, LLC's (Atlantic) Atlantic Coast Pipeline and Dominion Transmission, Inc.'s (DTI) Supply Header Project. The first notice of schedule, issued on August 12, 2016, identified a final EIS date of June 30, 2017. However, in response to comments on the draft EIS (which had a comment closing date of April 6, 2017), staff sent an environmental information request to Atlantic and DTI in April 2017, and only recently received the information necessary for us to complete our environmental review. As a result, staff has revised the schedule for issuance of the final EIS.
