

## Local Erosion and Sediment Control Program Jurisdictions:

The following is a list of the Locally Delegated Erosion and Sedimentation Control Programs and their jurisdictions. Riparian Buffer areas are listed for all programs which may contain areas inside a Riparian Buffer zone.

**Please Note:** All projects funded in-part or in-whole by public monies will fall under NC DEQ – DEMLR jurisdiction. Additional design considerations, buffers and regulations not listed below may apply.

**Extraterritorial Jurisdiction will be abbreviated as ETJ.**

**NC DEQ-DEMLR Regional Offices are abbreviated as follows:**

Asheville Regional Office (ARO), Fayetteville Regional Office (FRO), Mooresville Regional Office (MRO), Raleigh Regional Office (RRO), Washington Regional Office (WaRO), Wilmington Regional Office (WiRO) and Winston-Salem Regional Office (WSRO).

<u>Local Program</u>	<u>Jurisdiction</u>	<u>Special Design Considerations</u>	<u>NC DEQ – DEMLR Regional Office</u>
<b>Town of Apex*</b>	Corporate Limits and ETJ	Jordan Lake Buffer Area, Neuse Buffer Area	RRO
<b>City of Archdale*</b>	Corporate Limits	Randleman Lake Buffer Area	WSRO
<b>City of Asheville</b>	Corporate Limits		ARO
<b>Avery County</b>	All Unincorporated Areas of the County	Trout Waters, High Quality Waters	ARO
<b>Town of Boone</b>	Corporate Limits	Trout Waters, High Quality Waters	WSRO
