

PUBLIC NOTICE
PRELIMINARY DETERMINATION REGARDING APPROVAL OF
AN AIR PERMIT APPLICATION

The North Carolina Department of Environmental Quality, Division of Air Quality hereby gives notice that the following facility has applied for a permit to operate a biomass-to-energy facility that is currently permitted as part of the Prestage Farms – Moltonville facility (Facility ID No. 8200112) at the following location.

Prestage AgEnergy - Moltonville
311 Prestage Mill Lane
Clinton, NC 28328
Sampson County

This facility's application was reviewed by the DAQ to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations. This notice serves as a notice of opportunity for public comment for this proposal. The public comment period begins on April 21, 2021 and will run through May 21, 2021.

A copy of all data and the application submitted by Prestage AgEnergy - Moltonville and other material used by the DAQ in making this preliminary determination are available for public inspection on the NCDEQ/DAQ website or during normal business hours at the following locations:

NC DEQ		Fayetteville Regional Office
Division of Air Quality	or	System Building
Air Permits Section		225 Green Street, Suite 714
217 West Jones Street, Suite 4000		Fayetteville, NC 28301-5094
Raleigh, NC 27603		

Information on the permit application and the staff review are available by writing or calling.

Jeff Twisdale
1641 Mail Service Center
217 West Jones Street, Suite 4000
N.C. Division of Air Quality
Raleigh, NC 27699-1641
919-707-8472

Interested persons are invited to review these materials and make comments to the address indicated above. Written comments may also be submitted during the public comment period via email at the following address: daq.publiccomments@ncdenr.gov. Please type " Prestage.20A " in the subject line. Comments must be postmarked no later than May 21, 2021.

After weighing relevant comments received and other available information on the project, the DAQ will act on the Prestage AgEnergy - Moltonville application.

Mark J. Cuilla, EIT, CPM
Chief, Permitting Section, NCDEQ
