**Dear Mr. Stamey:**

**The Town of Clyde Mayor and Board of Aldermen met on May 12, 2010. One of the topics up for discussion was requesting Haywood County to take over the Erosion Control inside the town limits instead of North Carolina Department of Environmental Erosion Control. The Board unanimously adopted a Joint Resolution requesting the County exercise your powers within the Clyde town limits effective July 1, 2010. We understand that we will have to adopt the Haywood County Erosion Control Ordinance within our town.**

**We would appreciate your consideration of this request. We have enclosed two copies of the Resolution and request upon adoption that you return one signed copy to the town. Please feel free to give me a call if you should have any questions.**

**Sincerely,**

**Joy C. Garland,  
Town Administrator,  
Town of Clyde**
