

Update on the Sedimentation Education Program

Presentations/Exhibits

Evangelyn Lowery-Jacobs attended Career Day at South Robeson High School in Rowland on November 4, 2010.

The Division of Land Resources exhibited information at a booth at the North Carolina Science Teachers Association on November 11 and 12, 2010.

Workshops

The Fall 2010 Erosion and Sedimentation Control Planning and Design Workshop was held on October 26-27, 2010 at the NC State University Extension Center in Mills River. There were 77 registrants in attendance for the event.

The second Design Workshop was held on November 8-9, 2010 at the Holiday Inn Brownstone Hotel in Raleigh. There were 87 registrants in attendance for this event.

The 2011 Workshop for Local Programs will take place on January 26-27, 2011 at the Holiday Inn Brownstone Hotel in Raleigh.

Contract Administration

Contracts for support of three workshops for design professionals, support for the annual local program workshop and awards, and support for the continuation of the Sediments newsletter are all in place.

A contract is in place for implementation of the Western North Carolina Erosion, Sediment and Turbidity Control Demonstration Site.
