Dear Mr. Young:

The Catawba County Erosion and Sediment Control Program (E&SC) volunteers to take over the jurisdiction of the City of Newton's Erosion Control Program as well as the City's ongoing projects and plan reviews. The Catawba County E&SC program will take over Newton's jurisdiction and project load once appropriate action is taken by the Newton City Council and an interlocal agreement between Catawba County and the City of Newton is executed. Catawba County anticipates the Newton City Council taking action at their August 6, 2019 meeting. Furthermore, Catawba County expects the change of jurisdiction to be effective September 1, 2019.

Sincerely,

A handwritten signature in black ink that reads "Mick W. Berry". The signature is fluid and cursive.
