

Update on the Sedimentation Education Program

Presentations/Exhibits

Evangelyn Lowery-Jacobs conducted a training session with the Professional Engineers of North Carolina on March 28, 2011 to discuss the requirements of the Self-Inspection Program. There were approximately 50 members participating in the Brown Bag Lunch Webinar.

Workshops

Spring E&SC Design Workshops

The first Spring Erosion and Sedimentation Control Workshop for Design Professionals was held on March 8-9, 2011 at the Holiday Inn Brownstone Hotel in Raleigh. There were approximately 50 registrants in attendance.

The second Design Workshop was held April 5-6, 2011 at the NC State University Extension Center in Fletcher. There were approximately 54 registrants in attendance.

Sediments Newsletter

The second issue of the Sediments Newsletter for this fiscal year was distributed May 2, 2011. A pdf version of the newsletter is available at the website provided.

Contract Administration

Contract proposals for Fiscal Year 2011 have been submitted for review. The contracts include support of three workshops for design professionals, support for the annual local program workshop and awards, and support for the continuation of the Sediments newsletter.

Proposed Education Projects

The Sedimentation Education Committee met in the 5th floor conference room of the Archdale Building on May 9, 2011, in Raleigh.

The budget is proposing an allocation of \$132,700 to be used for FY11-12. The funding recommendations of the SEC to the SCC from the May 9, 2011 meeting are outlined for reference.

Recommendations of the Sedimentation Education Committee

Support for Three Workshops to Train Design Professionals	\$25,000 (not to exceed)
Support for Annual Workshop and Banquet for Local Programs	\$70,000 (not to exceed)
Sediments Newsletter	<u>\$17,020</u>
TOTAL:	\$112,020
