

Update on the Sedimentation Education Program

Presentations/Exhibits

Evangelyn Lowery-Jacobs attended a training session with the Fayetteville Homebuilders Association on January 20, 2011 to discuss the requirements of the Self-Inspection Program. Representatives from various organizations attended the event, in order to disseminate information within the community.

Workshops

Local Program Workshop

The 2011 Local Program Workshop and Awards Banquet was held January 26-27, 2010 at the Holiday Inn Brownstone Raleigh. Approximately fifty local programs were represented with a total attendance of over 100 people. Doug Sharp of Buncombe County and Heather Keefer of the Town of Holly Springs gave presentations about the experiences of their programs. Chairperson Robin Smith and Dr. Michael Voiland represented the Sedimentation Control Commission at the Awards presentation. The keynote speech at the Awards Luncheon was delivered by Rick Wooten, Senior Geologist for Geohazards and Engineering Technology, NCDENR. The small local program award was presented to Henderson County and the large local program award was presented to the City of Asheville.

Spring E&SC Design Workshops

The Spring E&SC Workshops for Design Professionals are scheduled for March 8-9, 2011 at the Holiday Inn Brownstone Hotel in Raleigh and April 5-6, 2011 at the NC State University Extension Center in Fletcher.

Sediments Newsletter

The first issue of the Sediments Newsletter for this fiscal year was distributed December 23, 2010. A pdf version of the newsletter is available at the website provided. The second issue is due for delivery in April 2011.
