Communicate – 1. To pass on information, news or thoughts. 2. To spread to another or others.

Communication is critical in your team's success! Many effective forms of communication internally with your team as well as externally across your organization can help you reach your set goals.

Green Team - Forming a Champion Team

“Coming together is the beginning.
Keeping together is progress.

**Working together...
Is success.” – Henry Ford**

Keep your team involved in all
steps along your journey... even
in the trashy times.
