Re: Objection to 15A NCAC 02L .0202

Dear Ms. Everett:

At its meeting on February 17, 2022, the Rules Review Commission objected to Rule 15A NCAC 02L .0202 finding that the rule was not clear and unambiguous. Specifically, the Commission found the Rule was unclear and ambiguous as it lacked specific guidelines required by G.S. 150B-19(6) to waive or modify the practical quantitation limit requirement through the use of an Interim Maximum Allowable Concentration.

Please respond to this objection in accordance with the provisions of G.S. 150B-21.12.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

Amber May  
Commission Counsel
