SUBJECT: Fayetteville Public Works Commission
Rockfish Creek Basin Peak Flow Facilities
Project No. CS370434-14

Dear Mr. Trego:

This is to inform you that the Finding of No Significant Impact (FONSI) and the Environmental Assessment have been submitted to the State Clearinghouse. The documents will be advertised for thirty (30) calendar days in the N.C. Environmental Bulletin. Advertising the FONSI is required prior to a local unit of government receiving financial support from the State Revolving Loan program. You will be informed of any significant comment or public objection when the advertisement period is completed.

A copy of the documents is transmitted for your record. The documents should be made available to the public.

If there are any questions, please contact me at (919) 707-9177.

Sincerely,

Jon Risgaard, Chief
State Revolving Fund Section
Division of Water Infrastructure
