Re: Directed Grants Status Report

To Whom It May Concern:

As per S.L. 2021-180, Sec. 5.2, the Department of Environmental Quality is required to report to the Fiscal Research Division on the status of funds disbursed for each directed grant until all funds are fully disbursed. This report must include the date of the initial contact, the date the contract was sent to the entity receiving the funds, the date the disbursing agency received the fully executed contract back from the entity, the contract execution date, and the payment date. Attached is the report describing the status of the grants as of August 1, 2023.

This report was prepared by DP Singla, Chief Financial Officer in the Department of Environment Quality. If you have questions about this report, please contact me by email at [skylar.golann@deq.nc.gov](mailto:skylar.golann@deq.nc.gov) or by phone at 984-480-6879.
