PROCLAMATION

RE: CRAB TRAWLING AND TAKING SHRIMP WITH NETS – ATLANTIC OCEAN AND SOUTHERN REGION – OPENING A PORTION OF NEW RIVER AND STUMP SOUND

This proclamation supersedes SH-7-2022, dated August 24, 2022. This proclamation opens areas of New River and Stump Sound to crab trawling and the taking of shrimp with nets and sets the open season dates. Those areas are upstream of the N.C. Highway 172 Bridge in New River, the IWW from Marker #17 to the 210 High Rise Bridge in the main channel only, and the IWW from Marker #49 to the site of the “old” Highway 50 Bridge at Surf City in the main channel and 100 feet on either side. This action is being taken in accordance with Amendment 2 to the North Carolina Shrimp Fishery Management Plan.

Kathy B. Rawls, Director, Division of Marine Fisheries, hereby announces that effective at **12:01 A.M., Thursday, September 1, 2022**, all Coastal Fishing Waters south of Marker 45 near Bogue Inlet to the North Carolina-South Carolina border will close to crab trawling and the taking of shrimp with nets (excluding recreational cast nets) except as specified below.

I. SPECIAL SECONDARY NURSERY AREAS SEASONAL OPENING

It is unlawful to take crabs with trawls and shrimp with nets except from 12:01 P.M. on Thursday, September 1 until 11:59 P.M. on Wednesday, November 30, 2022, in the areas described below:

- A. New River - from the N.C. Highway 172 Bridge upstream to a line running from Grey Point 34° 37.5833' N - 77° 22.3833' W, to a point on the east shore at 34° 37 .1333'N - 77° 21.6333' W. That area west of a line beginning at a point near Stones Landing 34° 36.2043' N - 77° 26.3166' W, then following the danger area line for the Stone's Bay Rifle Range to a point on the east shore, 34° 37.0579' N - 77° 26.1124' W. All tributaries downstream of Grey Point will remain closed. (Map 3)
- B. Intracoastal Waterway from Marker 17 to the Highway 210 Bridge at North Topsail – main channel only. (Map 3)
- C. Intracoastal Waterway from Marker 49 south to the site of the “old” Highway 50 Bridge at Surf City – IWW channel and 100 feet on either side (waterbodies are in both Pender and Onslow Counties). (Map 4)

II. MEANS AND METHODS

- A. It is unlawful to take crabs with trawls except in areas and during the times specified in Sections I and IV.
- B. It is unlawful to take shrimp with nets except:
 1. Shrimp and crab trawls, seines, and cast nets (commercial cast nets only) in areas and during times specified in Sections I and IV.;
 2. Cast nets used for recreational purposes in all Coastal Fishing Waters;
 3. Pound nets permitted in accordance with N.C. Marine Fisheries Commission

Rule 15A NCAC 03J .0502;

4. Pound nets authorized for use in accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03O .0302;
5. Channel nets in accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03J .0106 and Proclamation [M-10-2007](#);
6. Fyke nets in accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03J .0111.

See Section V. General Information H., I., K., N., and P. below for further restrictions on taking shrimp with nets and Section V. General Information O. below for further restrictions on taking crabs with trawls.

III. **RESTRICTIONS**

- A. It is unlawful to sell shrimp except for shrimp taken from areas and during times specified in Sections I and IV.
- B. It is unlawful to possess commercial quantities of other species or commercial gear while using a cast net to take shrimp except from areas and during times specified in Sections I and IV.

IV. **AREAS OPEN YEAR-ROUND**

The areas described below are open year-round to the taking of crabs with trawls and shrimp with nets. All primary, permanent secondary, and special secondary nursery areas and trawl nets prohibited areas in the waterbodies listed below are closed to the taking of crabs with trawls and shrimp with nets except as noted in Section V. N.

V. GENERAL INFORMATION

- A. This proclamation is issued under the authority of N.C.G.S. 113-134; 113-134.1; 113-170.4; 113-170.5; 113-182.1; 113-221.1; 143B-289.52 and N.C. Marine Fisheries Rules 15A NCAC 03H .0103, 03L .0101, .0201, and .0202.
- B. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03H .0103 it is unlawful to violate the provisions of any proclamation issued by the Fisheries Director under their delegated authority.
- C. **All other existing shrimp/crab trawl rules and proclamations remain in effect.** See <https://deq.nc.gov/about/divisions/marine-fisheries/rules-proclamations-and-size-and-bag-limits/fisheries-management-proclamations> to refer to those SH-type proclamations for shrimp/crab trawl regulations that may be effective in the areas covered by this proclamation.
- D. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03K .0103 Shellfish Management Areas which have been designated by proclamation are closed to the use of trawl nets, long haul seines, and swipe nets.
- E. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03O .0211 it is unlawful to use any bottom disturbing fishing gear on any shellfish lease or franchise unless it has been duly authorized by the Fisheries Director. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03O .0204 (f), the Division has no duty to protect any shellfish bottom lease, franchise, or water column lease not marked in accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03O .0204 (a).
- F. **Hatched areas on the attached maps indicate those areas closed to shrimp and crab trawling, seines, and cast nets except as specified in V. N. below.**
- G. In accordance with N.C. Marine Fisheries Commission Rule 15 NCAC 03I .0121 the Division of Marine Fisheries will mark the areas to be opened with signs insofar as may be practical. No unauthorized removal or relocation of any such sign shall have the effect of changing the area opened, nor shall any such unauthorized removal or relocation or the absence of any sign affect the applicability of this proclamation. Where there is conflict between signs and boundary descriptions, boundary descriptions shall prevail.
- H. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03O .0303 (f) it is unlawful to possess more than 96 quarts (heads on) or 60 quarts (heads off) of shrimp if more than one person aboard a vessel possesses a valid Recreational Commercial Gear License.
- I. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03L .0103 (c) which describes the areas where it is unlawful to use trawls with a combined headrope length greater than 90 feet.
- J. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03J .0104 (f) it is unlawful to use shrimp trawls for the taking of blue crabs in internal waters, except that it shall be permissible to take or possess blue crabs incidental to commercial shrimp trawling provided that the weight of the crabs shall not exceed 50 percent of the total weight of the combined crab and shrimp catch; or 300 pounds, whichever is greater.
- K. Proclamation [SH-2-2022](#) dated March 16, 2022, describes gear configuration requirements in areas where combined headrope lengths up to 90 feet in shrimp trawls are allowed. Proclamation [SH-3-2022](#) dated March 16, 2022, describes gear configuration requirements in the Atlantic Ocean. Proclamation <https://files.nc.gov/deq/documents/2021-10/FF-55-2012-WEAKFISHComm.pdf?VersionId=W7j5doLbjSVDv8lwwjnrTQ7.yQCEmKI> dated November 9, 2012 limits the amount of weakfish bycatch that can be taken with shrimp or crab trawls to 50% of equal weight of combined catch, but no more than 100 pounds.
- L. **Proclamation [M-12-2022](#) dated May 10, 2022, describes the boundaries and gear and harvest restrictions for Crab Spawning Sanctuaries in accordance with Amendment 3 to the N.C. Blue Crab Fishery Management Plan and Amendment 2**

to the North Carolina Shrimp Fishery Management Plan. Crab Spawning Sanctuaries are closed to trawling.

- M. Taking shrimp with pots is not governed by this proclamation. In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03J .0301 shrimp pots may be used to take shrimp.
- N. Proclamation [SH-4-2022](#) dated May 11, 2022, limits the recreational harvest of shrimp with cast nets to 48 quarts, heads on, or 30 quarts, heads off, per person per day or if a vessel is used, per vessel per day in all Coastal Fishing Waters.
- O. **N.C. Marine Fisheries Commission Rules 15A NCAC 03J .0104 and 03L .0202 place further restrictions on areas, gear, seasons, and time for the taking of crabs with trawls.**
- P. **N.C. Marine Fisheries Commission Rules 15A NCAC 03J .0104 and 03L .0102 and .0103 place further restrictions on areas, gear, seasons, and time for the taking of shrimp with nets.**
- Q. **In accordance with N.C. Marine Fisheries Commission Rule 15A NCAC 03J .0208(a) it is unlawful to use trawl nets except skimmer trawls upstream of the Highway 172 Bridge over New River.**
- R. In accordance with N.C. General Statute 113-221.1(c) All persons who may be affected by proclamations issued by the Fisheries Director are under a duty to keep themselves informed of current proclamations.
- S. Contact N.C. Division of Marine Fisheries, P.O. Box 769, Morehead City, NC 28557; 252-726-7021 or 800-682-2632 for more information or visit the division website at www.ncmarinefisheries.net.
- T. The intent of this proclamation is to close waters from Marker 45 near Bogue Inlet to the North Carolina-South Carolina border to crab trawling and the taking of shrimp with nets except those areas described in this proclamation and to implement management strategies consistent with Amendment 2 to the North Carolina Shrimp Fishery Management Plan.
- U. **This proclamation supersedes SH-7-2022, dated August 24, 2022. This proclamation opens areas of New River and Stump Sound to crab trawling and the taking of shrimp with nets and sets the open season dates. Those areas are upstream of the N.C. Highway 172 Bridge in New River, the IWW from Marker #17 to the 210 High Rise Bridge in the main channel only, and the IWW from Marker #49 to the site of the "old" Highway 50 Bridge at Surf City in the main channel and 100 feet on either side. This action is being taken in accordance with Amendment 2 to the North Carolina Shrimp Fishery Management Plan.**
