ADDITIONAL INFORMATION

There will be a one-hour break for lunch on Tuesday and Wednesday. Additional breaks will be given at the discretion of the chair.

The order and timing of agenda items is subject to change.

The goals listed for each day are intended for the peer review panel and chair.

During closed sessions, everyone except the peer review panel and chair will be asked to leave unless noted otherwise above.

Only the peer review panel and chair participate in the development of the peer review report. The report will not be available to the NCDMF staff, the public, or others until it is considered complete.
