PUBLIC NOTICE
PRELIMINARY DETERMINATION REGARDING APPROVAL OF
AN AIR PERMIT APPLICATION

The North Carolina Department of Environmental Quality, Division of Air Quality hereby gives notice that the following facility has applied for the approval to construct and operate a new compressor station at the following location.

Public Service Company of NC, Mill Spring Compressor, Silver Creek
823 Silver Creek Road
Mill Spring, NC  28756
Polk County

This facility's application for the proposed facility was reviewed by the DAQ to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations. The results of that review led to a preliminary determination that the project could be approved, and the DAQ air permit issued, if certain permit conditions are met. This notice serves as a notice of opportunity for public comment for this proposal to be published in the Tryon Daily Bulletin on April 24, 2018.

A copy of all data and the application submitted by Public Service Company of NC, Mill Spring Compressor, Silver Creek and other material used by the DAQ in making this preliminary determination are available for public inspection during normal business hours at the following locations:

NC DEQ Asheville Regional Office
Division of Air Quality or 2090 U.S. Highway 70
Air Permits Section Swannanoa, NC  28778
217 West Jones Street, Suite 4000
Raleigh, NC 27603

Information on the permit application and the staff review are available by writing or calling.

Patrick Ballard
2090 U.S. Highway 70
N.C. Division of Air Quality
Swannanoa, NC  28778
828-296-4500

Interested persons are invited to review these materials and make comments to the address indicated above. Comments must be postmarked no later than May 24, 2018.

After weighing relevant comments received and other available information on the project, the DAQ will act on the Public Service Company of NC, Mill Spring Compressor, Silver Creek application.

William D. Willets, P.E.
Chief, Permitting Section, NCDEQ
