Question 17: It was discovered that the Town of Tryon had been including in this figure as residential customers several multiple unit dwelling facilities that did not actually receive trash or recycling pickup services from the Town of Tryon, but did in fact contract privately with garbage/recycling pickup contractors. These residential units were removed from the count for this report.

Questions 45 & 54: Although the Town of Tryon offers curbside white goods pickup service, no white goods were put out for pickup by the Town of Tryon sanitation service in the period from July 1 2017 to June 30 2018.

Question 50: The Town of Tryon was impacted by a tornado in October 2017 and by flooding and mudslides with downed trees in late May 2018 which generated an increase in brush and yard waste handled by the Town of Tryon sanitation department.
