The North Carolina Division of Air Quality (DAQ) hereby gives notice of its intent to issue an Air Quality Permit to:

**Align RNG, LLC**  
2940 NC Highway 24 West  
Turkey, NC  
Duplin  
Application ID: 3100179.19A  
Permit No.:10644R00 (proposed)

This facility applied for an Air Quality Synthetic Minor Operation Permit for a biogas processing facility which meets the requirements specified in 15A North Carolina Administrative Code 2Q .0300.

Persons wishing to submit written comments or request a public hearing regarding the Air Quality Permit are invited to do so. Requests for a public hearing must be in writing and include a statement supporting the need for such a hearing, an indication of your interest in the facility, and a brief summary of the information intended to be offered at such hearing.

Written comments or requests for a public hearing should be postmarked no later than June 16, 2020 and addressed to:

Dean Carroll  
Division of Air Quality  
127 Cardinal Drive Ext.  
Wilmington, NC 28405

Comments may also be submitted by email to daq.publiccomments@ncdenr.gov with the subject line “Align Energy.”

All comments received prior to this date will be considered in the final determinations regarding the Air Quality Permit. A public hearing may be held if the Director of the DAQ determines that significant public interest exists or that the public interest will be served.

Interested persons may obtain additional information, including copies of the permit, application, all other relevant supporting materials, and all other materials available to DAQ that are relevant to the permit decision by writing to the above address or calling Dean Carroll at (910) 796-7242.
Due to COVID-19 social distancing guidelines, interested persons are encouraged to review these materials by appointment only at either of the following locations:

NCDEQ
Division of Air Quality
217 West Jones Street, Suite 4000
Raleigh, NC 27603

Wilmington Regional Office
127 Cardinal Drive Ext.
Wilmington, NC 28405

The permit, permit application, and other supporting documents of the proposed facility can be found at https://deq.nc.gov/align-energy.
