

Air

Title V Permit

What Activities Require This Permit? Establishment of new sources or modification of existing sources subject to 15A NCAC 2Q .0500 (Title V Procedures). There are a variety of mechanisms by which a Title V permit can be modified. For specifics, please see 15A NCAC 2Q .0500 or contact DAQ. Some exemptions apply, see 2Q .0523 at <https://files.nc.gov/ncdeq/Air%20Quality/rules/rules/15a%20ncac%202q%20.0523.pdf>.

What Is The Purpose of This Permit? To comply with permitting requirements under Title V of the federal Clean Air Act Amendments of 1990.

Who Issues This Permit? N.C. Division of Air Quality (DAQ), Permitting Section.

How Much Will This Permit Cost? A full list of current annual and application fees can be found at the following: <https://deq.nc.gov/about/divisions/air-quality/air-quality-permits/modifying-applying-for-air-quality-permit>.

What Are My Payment Options for Permit Application Fees? Currently the DAQ accepts checks as well as ePayments for payment of the Permit Application Fees.

If Paying by Check, Who do I Make the Check Payable to and Where Do I Send the Check? Permit Application Fees are to be submitted with the completed application. If payment is required, the application will be considered incomplete for processing until the check is received. The check should be made payable to DEQ Division of Air Quality. Please note: The Raleigh Central Office Permitting Section (address provided below) receives permit applications for Title V and NSR/PSD facilities. Small and Synthetic Minor permit applications should be submitted to the [Regional Office](#) where the facility is located.

Attn: Mark Cuilla, Chief, Permitting Section
Division of Air Quality
1641 Mail Service Center
Raleigh, North Carolina 27699-1641

If paying by ePayment, visit: <https://deq.nc.gov/about/divisions/air-quality/air-quality-permitting/aq-epayments-application> The application will be considered incomplete for processing until the online payment is received.

Where Can I Get The Application For This Permit? <https://deq.nc.gov/about/divisions/air-quality/air-quality-permits/modifying-applying-for-air-quality-permit>

How Long Will It Take To Review My Application? Processing schedules are dictated by rule (See Section 15A NCAC 2Q .0500). For significant modifications, the DAQ director shall complete the technical review within 270 days of receipt of a complete application. If the draft permit is required to go to public notice, the notice typically lasts for 30 days. Time associated with a public hearing (if required) and the DAQ response is not included herein. For minor modifications, generally, the Director shall issue or deny the permit within 90 days of receipt of a complete application.

Where Do I Submit My Application? [DAQ Regional Office](#) appropriate for your location.

How Long Is My Permit or License or Certificate Valid? Title V permits are issued for a five-year period.

Notes/Comments: In regard to application submittal, the application fee, responsible official, appropriate number of copies and zoning consistency must be addressed before an application can be considered complete. All DAQ permits are subject to renewals.

Legal Authority/Statute Reference: G.S. 150B-21, 143-213 to 215
