INSTRUCTIONS FOR VERIFICATION AND SUPPORTING DOCUMENTATION

The following will be accepted as verification and supporting documentation:

- A personal statement about your commercial fishing history **is required**. Include your reason for wanting to obtain a commercial fishing license. This statement should detail specific years you fished either under your own license, an assignment or as crew. Include the types of fish caught, the waters you fished and to whom the catch was sold.
- Verification of involvement from a third party. Please include the name, address, and telephone number of the person supplying verifying statements and your relationship to the person (e.g., family member, fish dealer, fellow commercial fisherman, crewmember, employer, etc.). Include the specific years you fished either under your own license or another person's license, types of fish caught, waters you fished, and to whom the catch was sold.
- Tax statements (e.g. Schedule C or 1099's) that indicate income from commercial fishing during the years you are claiming.
- Copies of trip tickets, invoices, or fishing logs during the years you are claiming commercial fishing history. If you fished from 1994 to the present and landed commercial catch in North Carolina, the Division will obtain trip ticket history from the Trip Ticket Program for you. If you landed in other states, you must provide documentation for those landings.
- Copies of commercial licenses. For any North Carolina commercial fishing history prior to 1994, you must provide proof of commercial fishing licenses through various documents such as copies of old licenses. The Division will obtain information from the license database of any North Carolina commercial license history from 1994 to present. If applying with commercial fishing license history from other agencies (e.g., other state agencies or the National Marine Fisheries Service), provide copies of that documentation.
- Any other information that would further document your commercial fishing history.

Reminder: All statements must be signed in front of a notary and notarized.
