SECTION .0500 – POUND NETS

15A NCAC 03J .0501  DEFINITIONS AND STANDARDS FOR POUND NETS AND POUND NET SETS

(a) For the purpose of this Section the following terms are hereby defined. The following definitions shall apply to this Section:

(1) Pound Net Set Permit. A Division authorization to set and fish a pound net set in a commercial fishing operation in a specified location in a specified fishery.

(2) Permit period. One year from the date of issuance of a new or renewal pound net set permit.

(3)(1) Deployed pound net. Setting "Deployed pound net" means setting of any part of a pound net, net except for a location identification stake or, or, for a pound net used in the Atlantic Ocean, a location identification buoy placed at each end of a proposed new location.

(2) "Flounder pound net" means a pound net set that produces a catch consisting of 50 percent or more flounder by weight of the entire landed catch, excluding blue crabs or a pound net set with all pounds (holding pen) constructed of four inch stretch mesh or greater.

(4)(3) Operational pound net set. An "Operational pound net set" means a pound net set as defined in 15A NCAC 03I .0101 and deployed according to rules and permit conditions with net attached to stakes or anchors for the lead and pound, including only a single pound in a multi-pound set, and a non-restricted opening leading into the pound such that the set is able to catch and hold fish.

(4) "Permit period" means from the date of issuance of a new or renewal Pound Net Set Permit to the expiration date.

(5) "Pound Net Set Permit" means a Division of Marine Fisheries authorization to set and fish a pound net set in a commercial fishing operation in a specified location in a specified fishery.

(5) Flounder pound net. A pound net set that produces a catch consisting of 50 percent or more flounder by weight of the entire landed catch, excluding blue crabs or a pound net set with all pounds (holding pen) constructed of four inch stretch mesh or greater.

(6) Shrimp pound net. A "Shrimp pound net" means a pound net set with all pounds (holding pen) constructed of stretch mesh equal to or greater than one and one-fourth inches and less than or equal to two inches.

(b) It shall be unlawful for a pound net used in a commercial fishing operation to:

(1) Be deployed on a site without first obtaining a Pound Net Set Permit from the Fisheries Director.

(2) Fail to be operational for a minimum of 30 consecutive days during the pound net set permit period unless Pound Net Set Permit period, except the Fisheries Director may, by proclamation, waive this requirement if a season for the fishery for which the pound net set is permitted is ended earlier due to a quota being met or for compliance with the N.C. Southern Flounder Fishery Management Plan.
(c) It shall be unlawful for a pound net set in a commercial fishing operation in coastal fishing waters to fail to:

1. Have the permittee's identification legibly printed on a sign no less than six inches square, securely attached to a stake at the permitted ends of each set at all times. For pound net sets in the Atlantic Ocean using anchors instead of stakes, the set shall be identified with a yellow buoy, which buoy that shall be of solid foam or other solid buoyant material no less than five inches in diameter and no less than 11 inches in length. The permittee's identification shall be legibly printed on the buoy. The identification on signs or buoys shall include the Pound Net Set Permit number and the permittee's last name and initials.

2. Have yellow light reflective tape or yellow light reflective devices on each pound. The yellow light reflective tape or yellow light reflective devices shall be affixed to a stake of at least three inches in diameter on any outside corner of each pound, shall cover a vertical distance of not less than 12 inches, and shall be visible from all directions.

3. Have a marked navigational opening at least 25 feet wide at the end of every third pound. The opening shall be marked with yellow light reflective tape or yellow light reflective devices on each side of the opening. The yellow light reflective tape or yellow light reflective devices shall be affixed to a stake of at least three inches in diameter, shall cover a vertical distance of not less than 12 inches, and shall be visible from all directions.

If a permittee notified of a violation under this Paragraph fails or refuses to take corrective action sufficient to remedy the violation within 10 days of receiving notice of the violation, the Fisheries Director shall revoke the permit.

(d) It shall be unlawful to use a Recreational Commercial Gear License (RCGL) shrimp pound net as defined in 15A NCAC 03O .0302(a)(8) in coastal fishing waters unless the shrimp pound net is:

1. Marked by attaching to the offshore lead, one a floating buoy, any shade of hot pink in color, which is color. Buoys shall be of solid foam or other solid buoyant material no less than five inches in diameter and no less than five inches in length. The owner's last name and initials shall be identified on the attached buoy by using an engraved buoy or by attaching engraved metal or plastic tags to the buoy. If a vessel is used, the identification shall also include owner's last name and initials and if a vessel is used, one of the following:
   (A) Gear owner's current motor boat registration number; or
   (B) Owner's U.S. vessel documentation name.

2. Set a minimum of 100 yards from a RCGL shrimp pound net set or 300 yards from an operational permitted shrimp pound net set.

(e) Escape Panels:

1. The Fisheries Director may, by proclamation, require escape panels in pound net sets and may impose any or all of the following requirements or restrictions on the use of escape panels:
   (A) Specify size, number, and location;
   (B) Specify mesh length, but not more than six inches; and
   (C) Specify time or season; and
(D) Specify specify areas.

(2) It shall be unlawful to use flounder pound net sets without four unobstructed escape panels in each pound. The escape panels shall be fastened to the bottom and corner ropes on each wall on the side and back of the pound opposite the heart. The escape panels shall be a minimum mesh size of five and one-half inches, hung on the diamond, and shall be at least six meshes high and eight meshes long.

(f) During 1 December through 1 February the Fisheries Director shall by proclamation establish time periods between December 1 through February 1 and areas where it shall be unlawful to fail to remove all nets from pound net sets in commercial fishing operations in internal coastal waters.

(g) It shall be unlawful within 30 days of abandonment of a permitted pound net set to fail to remove all stakes and associated gear from coastal fishing waters. The responsible party for abandoned pound net gear may be charged the costs incurred by the Division when the Division undertakes removal of the abandoned pound net gear.

15A NCAC 03J.0502 is proposed for readoption with substantive changes as follows:

15A NCAC 03J .0502  POUND NET SET PERMIT APPLICATION AND PROCESSING

(a) All initial, renewal, or transfer applications for Pound Net Set Permits, and the operation of such pound net sets, shall comply with the rules requirements governing all permits as provided in 15A NCAC 03O .0502. The procedures and requirements for obtaining permits are set forth in 15A NCAC 03O .0501.

(b) Applicants for Pound Net Set permits shall meet the following eligibility requirements as determined by the Fisheries Director:

(1) Applicant is an individual and not a corporation, partnership, organization or other entity;

(2) Applicant has in the past complied with fisheries rules and laws and does not have any licenses or privileges under suspension or revocation. In addition, a history of habitual fisheries violations evidenced by eight or more convictions in 10 years shall make an individual ineligible.

(3) Applicant has in the past complied with all permit conditions, rules, and laws related to pound nets.

(4) Applicant holds proper valid license(s) and permit(s) necessary to fish the type of net indicated in the application.

(c) Applications for Pound Net Set permits shall include the following:

(1) A base map provided by the Division of Marine Fisheries indicating the proposed set location including an inset vicinity map showing the location of the proposed set with detail sufficient to permit on-site identification and location.

(2) Declaration of the type of pound net that will be deployed at the site. One of the following pound net fisheries shall be specified:

(A) Flounder pound net set;

(B) Bait pound net set;

(C) Shrimp pound net set;

(D) Blue crab pound net set; or

(E) Other finfish pound net set.

(d) For proposed new location(s), the Fisheries Director shall issue a public notice of intent to consider issuance of a Pound Net Set Permit allowing for public comment for 20 days, and after the comment period, may hold public meetings to take comments on the proposed pound net set. If the Director does not approve or deny the application within 90 days of receipt of a complete and verified application, the application is deemed denied. The applicant shall be notified of denial in writing. Approval is conditional based upon the applicant's continuing compliance with eligibility requirements set out in Paragraph (e) of this Rule and specific conditions contained on the Pound Net Set Permit. The applicant may contest final decision to approve or deny by filing a petition for a contested case hearing.
in writing, within 60 days from the date of mailing notice of such final decision to the applicant, with the Office of
Administrative Hearings under G.S. 150B-23.

(e) In order for a site to be deemed suitable for a pound net set, the proposed set location shall meet the following
criteria as determined by the Fisheries Director:

(1) The proposed pound net set, either alone or when considered cumulatively with other existing
pound net sets in the area, will not interfere with public navigation or with existing, traditional uses
of the area other than navigation, and will not violate 15A NCAC 03J .0101 and .0102;

(2) The proposed pound net set will not interfere with the rights of any riparian or littoral landowner,
including the construction or use of piers;

(3) The proposed pound net set will not, by its proximate location, interfere with existing pound net
sets in the area. Flounder or other finfish pound net sets will be a minimum of 1,000 yards, as
measured in a perpendicular direction, from any point on a line following the permitted location of
existing pound net sets; except

(A) in Chowan River as referenced in 15A NCAC 03J .0203; and

(B) for renewal of pound net sets permitted prior to January 1, 2003;

(4) The proposed shrimp or blue crab pound net set will be a minimum of 300 yards, as measured
in a perpendicular direction, from any point on a line following the permitted location of existing
pound net sets;

(5) The proposed pound net set is not located in Core Sound in areas designated in 15A NCAC 03R
.0113 except that only those Pound Net Set Permits valid within the specified area as of
March 1, 1994, may be renewed or transferred subject to the requirements of this Rule; and

(6) Issuance of the proposed Pound Net Set Permit is in compliance with management
measures adopted in fishery management plans.

15A NCAC 03O .0114  **SUSPENSION, REVOCATION, AND REISSUANCE OF LICENSES**

(a) All commercial and recreational licenses issued under Article 14A, Article 14B, and Article 25A of Chapter 113 shall be subject to suspension and revocation.

(b) A conviction resulting from being charged by an inspector under G.S. 14-32, 14-33, 14-72, or 14-399 shall be deemed a conviction for the purposes of license suspension or revocation.

(c) Upon receipt of notice of a licensee's conviction as specified in G.S. 113-171 or a conviction as specified in Paragraph (b) of this Rule, the Fisheries Director shall determine whether it is a first, second, third, fourth, or subsequent conviction. Where several convictions result from a single transaction or occurrence, the convictions shall be treated as a single conviction for the purposes of license suspension or revocation. For a second conviction, the Fisheries Director shall suspend all licenses issued to the licensee for a period of 30 days; for a third conviction, the Fisheries Director shall suspend all licenses issued to the licensee for a period of 90 days; for a fourth or subsequent conviction, the Fisheries Director shall revoke all licenses issued to the licensee, except:

1. for a felony conviction under G.S. 14-399, the Fisheries Director shall suspend all licenses issued to the licensee for a period of one year;
2. for a first conviction under G.S. 113-187(d)(1), the Fisheries Director shall suspend all licenses issued to the licensee for a period of one year; for a second or subsequent conviction under G.S. 113-187(d)(1), the Fisheries Director shall revoke all licenses issued to the licensee;
3. for a conviction under G.S. 14-72, 113-208, 113-209, 113-268, or 113-269, the Fisheries Director shall revoke all licenses issued to the licensee; and
4. for a conviction under G.S. 14-32 or 14-33, if the offense was committed against a marine fisheries inspector, the Fisheries Director shall revoke all licenses issued to the licensee and the former licensee shall not be eligible to apply for reinstatement of a revoked license or for any additional license authorized in Article 14A, Article 14B, or Article 25A of Chapter 113 for a period of two years.

(d) After the Fisheries Director determines that a conviction requires a suspension or revocation of the licenses of a licensee, the Fisheries Director shall cause the licensee to be served with written notice of suspension or revocation. If the licensee is not an individual, the written notice shall be served upon any responsible individual affiliated with the corporation, partnership, or association. The notice of suspension or revocation shall be served by an inspector or other agent of the Department or by certified mail, shall state the ground upon which it is based, and shall take effect immediately upon service. The agent of the Fisheries Director making service shall collect all license certificates and plates and other forms or records relating to the license as directed by the Fisheries Director. Upon service of a notice of suspension or revocation of a license, it shall be unlawful to fail to surrender any license so suspended or revoked.

(e) If a license has been suspended, the former licensee shall not be eligible to apply for reissuance of license or for any additional license authorized in Article 14A, Article 14B, or Article 25A of Chapter 113 during the suspension
period. Licenses shall be returned to the licensee by the Fisheries Director or the Director's agents at the end of a period of suspension.

(f) Where a license has been revoked, the former licensee shall not be eligible to apply for reinstatement of a revoked license or for any additional license authorized in Article 14A, Article 14B and Article 25A of Chapter 113 for a period of one year, except as provided in Subparagraph (c)(4) of this Rule. For a request for reinstatement following revocation, the former licensee shall demonstrate in the request that the licensee will conduct the operations for which the license is sought in accordance with all applicable laws and rules, shall submit the request in writing, and shall send the request to the Fisheries Director, Division of Marine Fisheries, 3441 Arendell Street, P.O. Box 769, Morehead City, NC 28557. Upon the application of an eligible former licensee after revocation, the Fisheries Director may issue one license sought but not another, as necessary to prevent the hazard of recurring violations of the law.

(g) A licensee shall not willfully evade the service prescribed in this Rule.

(d) It shall be unlawful to violate any permit condition. For violation of specific permit conditions (as specified on the permit), permits may be suspended or revoked according to the following schedule:

(1) violation of one specific permit condition in a three year period, permit shall be suspended for 10 days.

(2) violation of two specific permit conditions in a three year period, permits shall be suspended for 30 days.

(3) violation of three specific permit conditions in a three year period, permits shall be revoked for a period not less than six months.

(4) violation of any permit conditions as set forth in 15A NCAC 03J .0505(a), permits may be revoked and the former permittee may not be eligible to apply for any future Pound Net Set Permits.

If several permit conditions are violated as a result of a single transaction or occurrence, the permit violations shall be treated as a single violation for the purpose of suspension or revocation. If the permit condition violated is the refusal to provide information upon request by Division staff, either by telephone, in writing or in person, the Fisheries Director may suspend the permit. Such permit may be reinstated 10 days after the requested information is provided.

(b) All permits will be suspended or revoked when the permittee’s license privilege has been suspended or revoked as set out in G.S. 113-171. The duration of the suspension or revocation shall be the same as the license suspension or revocation. In the event the person makes application for a new permit during any period of license suspension, no new permit will be issued during the suspension period. In case of revocation of license privileges, the minimum waiting period before application for a new permit to be considered will be six months.

(e) Permit designees shall not be permitted to participate in a permit operation during any period they are under license suspension or revocation.
(f) If violation of permit conditions requires suspension or revocation of a permit, the Fisheries Director shall cause the permittee to be served with written notice of the intent to commence suspension or revocation. If the permittee is not an individual, the written notice shall be served upon any responsible individual affiliated with the corporation, partnership, or association. The notice of the intent to commence suspension or revocation shall be served by an inspector or other agent of the Department or by certified mail, and shall state the grounds upon which it is based.

(g) The Fisheries Director shall order summary suspension of a permit if it finds that the public health, safety, or welfare requires emergency action. Upon such determination, the Fisheries Director shall issue an order giving the reasons for the emergency action. The effective date of the order shall be the date specified on the order or the date of service of a certified copy of the order at the last known address of the permittee, whichever is later.

(h) Upon service of a notice of suspension or revocation of a permit, it is unlawful to fail to surrender any permit so suspended or revoked.

(i) It shall be unlawful to fail to surrender a permit issued by the Division in error immediately upon service of a notice by an agent of the Fisheries Director to surrender the permit.

(j) It shall be unlawful to evade the service prescribed in this Rule.

(k) It shall be unlawful to fail to remove all gear, markers, and devices associated with an Aquaculture Operation Permit within 30 days after expiration of the Aquaculture Operation Permit, termination of a shellfish lease for which the Aquaculture Operation Permit was issued, or notice by the Fisheries Director that an existing Aquaculture Operation Permit has been revoked or denied. Similar requirements for gear removal for a Pound Net Set Permit are described in 15A NCAC 03J.0505.
