

Statement of Compliance with §143-214.11, 143-214.20 & 143-214.26

Prior to requesting credits through the Division of Mitigation Services (DMS), state law requires applicants to demonstrate compliance with statutes restricting access to the in-lieu fee program when private bank credits are available. All requests MUST include this form signed and dated by the permit applicant or an authorized agent.

Compliance Statement:

I have read and understand the applicable statute linked above and have, to the best of my knowledge, complied with the requirements. I understand that participation in the DMS in-lieu fee programs is voluntary and subject to approval by permitting agencies.

Please check all that apply:

Applicant is a Federal or State Government Entity or a unit of local government meeting the requirements set forth in statute and is not required to purchase credits from a mitigation bank.

There are no listed mitigation banks with the credit type I need located in the hydrologic unit where this impact will take place [\(link to DWR list\)](#)

Mitigation bank(s) in the hydrologic unit where the impacts will occur have been contacted and credits are not currently available.

The permitting authority did not approve of the use of a mitigation bank for the required compensatory mitigation for this project.

This is a renewal request and the permit application is under review. Bank credits were not available at the time the application was submitted.

Enter date permit application was submitted for review: _____

Note: It is the applicant's responsibility to maintain documentation for any inquiries made to private mitigation banks regarding credit availability
