Ambient Monitoring Section
Data Request Form

Date of Request:

Name:

Organization:

Phone Number:

Street Address:

City:

State:

Zip:

E-mail

Intended Purpose of the Data:

Data Report Needed by:

- Environmental Assessment
- Atmospheric Modeling
- Health Effects Research
- School Project
- Other

Geographic Coverage

Comments:

- Entire state of NC
- Multiple counties (list in comments)
- Specific Areas/Sites (list in comments)

Type of Data Needed:

- | | | |
|-----------------|------------------|---------------------|
| Ozone | PM2.5 | PM10 |
| TSP | CO | SO2 |
| NO2 | NOy | NOx |
| NH3 | AQI | Pollen |
| Meteorology | Site Information | Monitor Information |
| Hydrocarbon/VOC | | |
| Other | | |

Data Start Date:

Data End Date:

Additional Data Range Comments:

Level of Detail of Data Report:

Individual data sample values (raw data)

Daily summary statistics (daily arithmetic means and maximums if data is sampled more than once a day)

EPA frequency distribution statistics (annual summary of minimum, all quartiles, the 2nd highest observed concentrations, arithmetic mean, standard deviation)

EPA non-NAAQS annual summary statistics (4th highest observed concentrations and the arithmetic mean)

EPA NAAQS annual summary statistics (if applicable to the pollutant)

Other

Preferred Data Format

PDF Document

Text File

MS Excel File
