## Agenda Item F.4.
Drinking Water Projects

### Fall 2021 Application Round (revised 2-8-22)
(Changes shown in red.)

### New Drinking Water Projects Funded in State Reserve

#### Projects Funded in State Reserve

1. **Elizabeth City, City of**
   - **Project Name:** New Water Reservoir (Supplement)
   - **County:** Pasquotank
   - **Engineering Firm:** RECOM
   - **Project Description:** Additional funding for ongoing project (WF1564) to upgrade water treatment plant to meet surface water treatment plant requirements.
   - **Funding:** Yes, $0, 100%
   - **Total Project Cost:** $3,436,732
   - **Total Funding Requested:** $3,195,429
   - **State Grant:** $476,715
   - **State Loan:** $407,715
   - **DA Approved:** 85
   - **Other:** Project WF1564 previously funded with SRF funds. No benefit of providing SRF Grant. PF is not required. Additional PF available after allocating available DWSRF loan funds. Awarded to higher priority eligible project.

2. **Davie County Public Utilities**
   - **Project Name:** Water Supply Improvements Project
   - **County:** Davie
   - **Engineering Firm:** Hazen & Sawyer
   - **Project Description:** Additional funding for ongoing (WF-2050 & SRF D-0301) Water Supply Improvements Project.
   - **Funding:** Yes, $0, 0%
   - **Total Project Cost:** $37,175,427
   - **Total Funding Requested:** $9,125,427
   - **State Grant:** $89,125,427
   - **State Loan:** $396,433
   - **DA Approved:** 51
   - **Other:** Project does not include a merger.

3. **Stooell, Town of**
   - **Project Name:** Water Tank, Water Main, and Associated Improvements (Reconsideration)
   - **County:** Granville
   - **Engineering Firm:** Hukill Associates, PA
   - **Project Description:** Replace waterlines and hydrants and install a meter at elevated storage tank.
   - **Funding:** No, $0, 0%
   - **Total Project Cost:** $1,151,130
   - **Total Funding Requested:** $1,151,130
   - **State Grant:** $396,433
   - **State Loan:** $396,433
   - **DA Approved:** 51
   - **Other:** Additional PF available after allocating available DWSRF loan funds.

4. **Scotland Neck, Town of**
   - **Project Name:** Phase 2 Water Improvements
   - **County:** Halifax
   - **Engineering Firm:** Engineering Services, P.A.
   - **Project Description:** Replace 8,550 LF of waterlines and all appurtenances.
   - **Funding:** No, $0, 0%
   - **Total Project Cost:** $1,116,487
   - **Total Funding Requested:** $1,116,487
   - **State Grant:** $396,433
   - **State Loan:** $396,433
   - **DA Approved:** 51
   - **Other:** Additional PF available after allocating available DWSRF loan funds.

5. **Redefield, Town of**
   - **Project Name:** 2021 Water Improvements Project Phase 7 - Distribution Lines and Appurtenances on Harmon Heights, Eastridge Street, Withfield Street & W. Barrette Avenue
   - **County:** Halifax
   - **Engineering Firm:** Engineering Services, P.A.
   - **Project Description:** Replace 6,250 feet of waterline and appurtenances.
   - **Funding:** No, $659,685, 0%
   - **Total Project Cost:** $659,685
   - **Total Funding Requested:** $659,685
   - **State Grant:** $530,000
   - **State Loan:** $530,000
   - **DA Approved:** 50
   - **Other:** RECONSIDERATION

6. **Pilot Mountain, Town of**
   - **Project Name:** Water System Improvements
   - **County:** Surry
   - **Engineering Firm:** Smith & Huskens
   - **Project Description:** Replace ±6,250 LF of 10-inch DI waterline and ±15 hydrants. Install ±1 new isolation valves, ±1 isolation valve, ±3 new hydrants, and ±3 other services.
   - **Funding:** Yes, $0, 100%
   - **Total Project Cost:** $683,000
   - **Total Funding Requested:** $683,000
   - **State Grant:** $816,000
   - **State Loan:** $816,000
   - **DA Approved:** 53
   - **Other:** RECONSIDERATION

7. **Shippensburg, Town of**
   - **Project Name:** Phase 3 Water System Improvements Project
   - **County:** Edgecombe / Nash / Wilson
   - **Engineering Firm:** Engineering Services, P.A.
   - **Project Description:** Replace old AC waterline with ±3,750 LF of 6-inch PVC and ±18 hydrants.
   - **Funding:** Yes, $0, 100%
   - **Total Project Cost:** $630,000
   - **Total Funding Requested:** $630,000
   - **State Grant:** $520,000
   - **State Loan:** $520,000
   - **DA Approved:** 48
   - **Other:** RECONSIDERATION

### Other Considerations/Staff Notes

- Project WF1564 previously funded with SRF funds. No benefit of providing SRF Grant. PF is not required. Additional PF available after allocating available DWSRF loan funds. Awarded to higher priority eligible project.
- Project does not include a merger.
- Additional PF available after allocating available DWSRF loan funds.
- RECONSIDERATION
- RECONSIDERATION
- RECONSIDERATION
- Minimum acceptable PF is $600,000; but SRF PF limited to $300,000; and SRF grant is not available.
### Agenda Item F.4.  Drinking Water Projects
