THE NORTH CAROLINA NATIONAL ESTUARINE RESEARCH’S COASTAL TRAINING PROGRAM PRESENTS:

Living on a Barrier Island –
A Virtual Workshop for Real Estate Professionals

Wednesday, March 2, 2022
Via WebEx

Workshop Objectives: Participants will learn:
• How barrier islands are unique from an ecological and geological perspective;
• About the rules and policies that govern development on barrier islands;
• About updates to the National Flood Insurance Program; and
• About native plantings for the coastal landscape.
