Welcome to Today’s Webinar
Aftermarket Automotive Industry Best Practices
March 22, 2022
11:30 am – 12:30 pm EDT
• If You Have Audio Trouble: Switch to phone (see number and code in Audio section of the webinar toolbox)

• Slides, Handouts and Recording will be posted to the ESI Events Website (can be accessed via deq.nc.gov)
Participation

Mute/Unmute

How to Ask Questions:

1. Raise your hand.

2. Use the Question Box.
Environmental Stewardship Initiative

- DEQ recognition program
- Promotes and encourages superior environmental performance
- Voluntary program; no cost
- Going beyond compliance while conserving natural resources and resulting in economic benefits
- Approximately 200 member sites
- Networking and training benefits

TOTAL COST SAVINGS $ 7,193,816
Waste Reduction Partners

- Innovative partnership between NCDEQ and the Land of Sky Regional Council
- Non-regulatory
- Typically no cost
- Assist facilities improve environmental and energy management through efficiency techniques that save money
- Provides consulting services using 40 retired engineers and scientists
- Conducts on-site assessments and provides cost saving strategies and resources
- Client cost savings since the year 2000: $137 Million
- Client energy saving since 2000: 5.66 Trillion BTUs

The Automotive Service & Tire Alliance was formed in 2021 by the merge of the Independent Garage Owners of North Carolina (IGONC) and North Carolina Tire Dealers Association (NCTDA). ASTA is the Southeast’s largest member-sponsored non-profit association serving the aftermarket automotive industry.

https://astausa.org/
Automotive Service & Tire Alliance

Our Mission: We exist to serve, support and better the aftermarket automotive industry.

Our Actionable Goals:
• Provide a variety of discount programs to offset the cost of membership.
• Create a strong community of shop owners through social gatherings and networking opportunities.
• Empower automotive professionals through webinars, training, and certifications.
• Advocate as one coherent voice when called upon by legislative processes.

NCDEQ's DWM-HWS

N.C. DEQ Division of Waste Management's Hazardous Waste Section

• The primary purpose of the Hazardous Waste Section is to prevent and reduce releases of hazardous substances and clean up contaminated sites.

• The Hazardous Waste Section ensures the safe management of hazardous waste in North Carolina. The staff applies the adopted federal rules that incorporate the Resource Conservation and Recovery Act requirements and additional state rules.
