"We have 12 Convenience Sites in Carteret County. Eleven of them are manned sites and only one site is unmanned.

We started a new 5 year contract on September 16th, 2021. In an effort to cut cost, since we have to pay to dispose of most recyclables for the past 18 months, our County Commissioners voted to only recycle most items at the three largest sites we have. I’m not sure how that will effect our numbers for 21-22. We were recycling at 11 sites before this change.

Thanks,
Tony Cahoon
Carteret County
Public Works Director"
