Use this section to elaborate on any info provided in your report as necessary. Have there been major changes to your recycling or solid waste program since last year? Do you expect upcoming changes to your programs? How were your programs affected by COVID-19? Do you have new or updated ordinances that affect your programs? You may submit additional sheets if needed.

Page 8, #64, we do not have a collection program in our county. Therefore, we do not have a collection cost to enter. Tipping fees are fees we have received at our scales as cost coming in. The recycling tipping fees are fees paid to the vendor that handles our recycling program.
