Part X. Comments

Use this section to elaborate on any info provided in your report as necessary. Have there been major changes to your recycling or solid waste program since last year? Do you expect upcoming changes to your programs? How were your programs affected by COVID-19? Do you have new or updated ordinances that affect your programs? You may submit additional sheets if needed.

Editor's Notes (TN) (#35) – Did you receive electronics management funds during FY 20-21? – we missed our deadline last year
Or spend any money during FY 20-21? What was your balance as of June 30, 2021? - Christine told me that they missed their deadline last year so they didn't receive or spend any funds.
• (#47) – Do you have a gallons amount for your antifreeze? Christine told me that they worked with Enterprise Oil – they weren’t able to give Henderson County antifreeze data even though they did collect some. Enterprise Oil was bought out by Universal Environmental recently and they’ve taken over reporting.

#2. Greg Wiggins is retiring. Other staff contacts include jroberts@hendersoncountync.gov, cmerrill@hendersoncountync.gov, cwittmeier@hendersoncountync.gov
#45b. 14.32% contamination is from audit done at Curbside Management on 3-18-21.
#47. Used oil filters are emptied and placed with scrap metal. Antifreeze is collected with the used motor oil and Enterprise Oil was unable to provide us weight of antifreeze separately.
#71. CMC does not charge for RECLAIM as part of scrap metal recycling contract, they are backup and were not used this year.
