45. *If you checked commingled, which material recovery facility (MRF) does your community use? TFC

A MRF is the plant that separates commingled recyclables into marketable commodities (paper, plastic, metals, glass)

a. Do you have a formal contract with the MRF? ☒ Yes ☐ No If yes, what month/year does it expire? June 2021

Calculate for each truck used in your yard waste management program, and then enter the grand total volume managed by program in the appropriate boxes above.  Ex. 10 cubic yard truck x 3 days/wk x 16 wks = 480 cubic yards

\[ \text{Size of Truck (in yards)} \times \text{Avg. no. of times truck fills each week} \times \# \text{ of weeks truck is used during year} \] = \text{cubic yards}

83. Suggestions for scrap tire disposal tax proceeds distribution alternatives: Base disbursement upon previous scrap tire disposal volumes. Per capita distributions do not account for small communities that house large businesses. These businesses result in large volumes of tires being disposed at a huge cost to the community with no lack of options for disposal/processing companies in the area have created a monopoly where municipalities are forced to pay increasingly higher fees with no viable options for change.

84. Scrap tire management program limitations, other than money: lack of options for disposal/processing companies in the area have created a monopoly where municipalities are forced to pay increasingly higher fees with no viable options for change.

Perquimans County pays the tipping fees for Town of Hertford and Winfall.

COVID-19 continues to present challenges in staffing all sites.

Editor's Note (TN): Asked Angel about if they offered an education program this year:

Education programming due to Covid: "We did not do any educational programing due to COVID. We do hand out brochures at the convenience sites and have information regarding recycling posted on the website. They do not use the DEACS templates. We do budget annually for educational/outreach programs but did not spend any of those funds last year. We had up to $750 we could have spent.

We do not offer educational materials in other languages besides English.

We received a CRA grant in May/June for materials that went out to each household, but they did not go out until this fiscal."
