Underground Storage Tanks Section

The UST Section has the regulatory authority of UST installation and operation, investigations of leaking USTs and the cleanup of releases. The section also oversees and investigates non-UST petroleum releases.

CONTACTS:
Mike Haseltine, Env. Prog. Supv. I Regional Supervisor
James Brown, Hydrogeologist
Kenneth Currie, Hydrogeologist
Sarah Brown, Environmental Senior Specialist II
Abigail Canela, Temporary Employee

Solid Waste—Field Operations Branch

The SW-FOB regulates safe management of solid waste through guidance, technical assistance, regulations, permitting, environmental monitoring, compliance evaluation and enforcement. Waste types handled at these facilities include municipal, construction and demolition, industrial, medical, compost, land-clearing waste, scrap tires

CONTACTS:
Andrew Hammonds, Eastern District Supervisor
David Powell, Environmental Specialist II
Amanda Thompson, Environmental Specialist II

Superfund Inactive Hazardous Sites Branch

The IHSB is responsible for managing the assessment and remediation of sites that are contaminated by non-petroleum hazardous substances and pollutants. The IHSB staff member is assigned project sites throughout the eastern half of the State and oversees voluntary party actions, conducts work at orphan sites and enforcement actions at sites where there is an immediate

Roy Cooper, Governor
Elizabeth S. Biser Secretary

An Equal Opportunity/Affirmative Action Employer who values diversity at all levels of the organization.
DEACS provides complete office and logistical support for all programs located in this regional office as well as assistance and outreach to customers and serves as the centralized source of DEQ’s programs at the regional office.

CONTACTS:
Leland Cottrell, Business Services Coordinator II
Marisa Lanka, Administrative Associate II, DWR-WQROS & PWSS
Vacant Administrative Associate II, DAQ and DWM
Deven Williamson, Administrative Associate II, DEMLR-LR

Environmental Assistance and Outreach Section

The EAO provides assistance and outreach to customers and serves as the centralized source of DEQ’s programs at the regional office.

CONTACTS:
Johnathan Watts, Environmental Specialist II

Division of Air Quality

The DAQ has the regulatory responsibility of issuing permits, inspecting air pollutant emission sources, conducting ambient air monitoring, and investigating complaints.

CONTACTS:
Heather Carter, Env. Prog. Supv. II, Regional Supervisor Permitting Unit
Vacant, Environmental Engineer II
Jeffrey Cole, Environmental Engineer II
Taijah Hamil, Environmental Engineer I
Joshua Loehman, Environmental Engineer I Compliance Unit
Mike Thomas, Environmental Specialist I
Krishonda Cornelius, Environmental Specialist I
Vacant Environmental Specialist I
Stephen Allen, Ambient Monitoring Coordinator
Mike Turner, Environmental Specialist I
Roger Caudle, Environmental Technician II

Environmental Assistance and Outreach Section

The Water Quality Regional Operations Section is responsible for the protection of groundwater and surface water by overseeing the following programs: Wastewater Discharge & Non-Discharge Facilities (including Spray Irrigation and Land Application), Well Construction, Collection Systems, CAFO (Concentrated Animal Feeding Operations), Ambient Monitoring, Wetlands (401 Cert.), and Special Studies. This Section handles permitting, compliance, engineering reviews, complaint and spill investigations.

CONTACTS:
Joseph T. Allen, Environmental Regional Supervisor
Kenneth M. Brantley, Assistant Env. Reg. Supervisor
Vacant, Environmental Engineer II
Hughie White, Env. Program Consultant
Steve Guyton, Environmental Specialist II
Chad Turlington, Environmental Specialist II
Danielle Simpson, Environmental Specialist I
Tony Honeycutt, Environmental Specialist I
Katie Fontenot, Environmental Specialist I
Diane Harrison, Environmental Specialist I
Stephanie Zorio, Environmental Specialist II
Kenneth White, Hydrogeologist
Vacant, Environmental Technician I

Division of Energy, Mineral, and Land Resources:

The LR Section reviews and approves sediment and erosion plans, conducts compliance inspections, investigates complaints, and initiates enforcement actions with regard to the NC Sedimentation Pollution Control Act of 1973, the Dam Safety Act of 1967, the Mining Act of 1971, NPDES Stormwater and State Stormwater. These regulations protect our streams and lands from degradation by soil erosion from mining and construction.

CONTACTS:
Timothy LaBounty, Engineering Supervisor
Jodi Pace, Environmental Engineer II
Christopher Baker, Environmental Engineer II
Vacant, Environmental Engineer II
Evangelyn Lowery-Jacobs, Environmental Engineer I
Mike Lawyer, Environmental Program Consultant
Lori Britt, Environmental Specialist II
Melissa Baker Joyner, Environmental Specialist II

Division of Water Resources: Public Water Supply Section

The Public Water Supply Section regulates public water systems within the state. Public water systems are those which provide piped drinking water to at least 15 connections or 25 or more people 60 or more days per year. The PWS Section works with public water systems to ensure the water supply is safe to drink. This is accomplished through inspections, source site approval, investigations, plans and specification reviews, operating report reviews, providing emergency response to water systems and by providing technical assistance to water system personnel, consultants and operators.

CONTACTS:
Heidi Cox, Engineering Supervisor I
John Larch, Engineer II / Assistant Regional Engineer
Vacant, Environmental Engineer I
Tommy Overby, Environmental Specialist II
Brian Morrison, Environmental Specialist I

Division of Water Infrastructure

The Division of Water Infrastructure funds many types of projects including sewer collection and treatment systems, drinking water distribution systems, water treatment plants, storm water management, and stream restorations.

CONTACTS:
Eric Karis, Engineer II-Construction Inspector

CONTACTS:
Tina Feaster (Deen Williamson), Business Services Coordinator II
Marcy Lanka, Administrative Associate II, DWR-WQROS & PWSS
Vacant Administrative Associate II, DAQ and DWM
Deven Williamson, Administrative Associate II, DEMLR-LR
