All NC listed nurseries are certified by the NC Department of Agriculture and Consumer Services as of 8/18/17. This list is not an endorsement for the above companies and may not be exhaustive. No information was collected concerning the vendors' inspection or treatment of plants for pests and/or diseases. Individual nurseries may not carry large numbers of wetland plants. Attempts should be made to obtain plants from an area as close as possible to the new planting area. Nurseries in or near NC that carry wetland plants native to NC may contact the NC Division of Water Resources 401 & Buffer Permitting Unit at (919) 807-6300 if they wish to be added to the list.
