

REDUCE YOUR SINGLE-USE

You can refuse single-use packaging. These are the top five alternatives to reduce using wasteful products!

Plastic and paper bags

**TRY REUSABLE BAGS
AND TOTES**

Bottled water

**TRY REUSABLE
WATER BOTTLES**

Paper coffee cups

**TRY REUSABLE
COFFEE MUGS**

Plastic utensils and paper napkins

**TRY DURABLE UTENSILS
AND CLOTH NAPKINS**

Styrofoam to-go containers

**TRY STURDY
FOOD CONTAINERS**

When you find yourself with a plastic bottle or bag, please recycle! Bottles are easily recycled curbside, and plastic bags should be brought back to retail/grocery stores that accept them. Remember that plastic bags should not be placed in the curbside cart, and do not bag your recyclables — keep them loose and free!

The N.C. Division of Environmental Assistance and Customer Service (DEACS) is a non-regulatory division of N.C. DEQ offering technical and financial assistance to businesses, manufacturers, local governments, institutions, economic developers and citizens in environmental management. For questions, call 1-877-623-6748.
