

# High Rock Lake Nutrient Rules Engagement Process

## Riparian Buffer Technical Advisory Group (TAG)

### Meeting 1: February 27, 2023, 1-4 pm via Zoom

#### Meeting Goals

1. Begin to establish an effective buffer working group for the Lake Nutrient Rules process
2. Better understand the rulemaking objectives and informational context
3. Become familiar with the role of and charge to the Buffer TAG
4. Learn about existing strategies for riparian buffers and respond to a HRL recommendation
