North Carolina Division of Water Infrastructure

Project Applicant: *Rockingham County*
Date: *August 23, 2021*
Project Number: *1997*
Estimated Project Cost: *\$1,827,330*
Estimated Funding Amount: *\$1,791,500*

Project Description: *Relocation of the Hogan's Creek booster pump station outside the 100-year flood plain with complete replacement including new pumps, piping, building, electrical controls, SCADA, security fencing, emergency power generator and all related appurtenances with no change in capacity.*

The above-named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.
