North Carolina Division of Water Infrastructure

Project Applicant: Town of Selma
Date: October 20, 2021
Project Number: CS370561-04
Estimated Project Cost: \$3,075,300
Estimated Funding Amount: \$3,015,000

Project Description: The proposed project includes the following improvements to Town's wastewater collection system:

Brack Wilson Pump Station

Replacement and relocation and of existing 450 gpm pump station to include: new 450 gpm pump station (raised 2-feet above the 100-year flood elevation), yard piping, electrical, valves, vaults, and associated appurtenances.

Campground Pump Station

Rehabilitation to include sealing of wet well.

Collection system

Rehabilitation of approximately 9,950 LF of 8-inch and 10-inch gravity sewer, 149 lateral services, 166 service taps, 48 manholes, and 48 VF of manholes; replacement of 1,000 LF of 8-inch and 10-inch gravity sewer, and five (5) manholes; installation of 73 cleanouts; three (3) point repairs; and 53,800 LF of 8-inch and 10-inch gravity sewer CCTV and cleaning.

The above named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS § 159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

A handwritten signature in black ink that reads "Ken Pohlig". The signature is written in a cursive style with a large, prominent initial "K".

Ken Pohlig, PE, Supervisor
