Please note: the State Energy Office is currently undergoing a recertification process with ESCOs, as required every three years by 01 NCAC 41B .0402. This process will take place in late 2024/early 2025. One of the results of this process will be an updated Qualified Providers List with updated contact information. Please keep an eye on the State Energy Office website for the most updated NC Qualified Providers List resulting from the 2024 recertification process once it is available: <https://www.deq.nc.gov/energy-climate/state-energy-office/utility-savings-initiative/guaranteed-energy-savings-performance-contracts>
