### North Carolina Division of Water Infrastructure

Project Applicant: Town of Warsaw  
Date: February 28, 2019  
Project Number: CS370474-05  
Estimated Project Cost: \$4,080,000  
Estimated Funding Amount: \$4,000,000

**Project Description:** The proposed project includes improvements to the Town's sanitary sewer system and wastewater treatment plant. Improvements to the collection system include the following: find-and-fix rehabilitation/replacement of approximately 4,500 LF of 8-inch and 3,400 LF of 12-inch gravity sewer, and 30 manholes. Improvements to the treatment plant include the following: rehabilitation of the existing influent pump station to include replacement of three (3) existing 800 GPM influent pumps with three (3) 1,050 GPM pumps, expansion of the wetwell, and replacement of the electrical controls; and, replacement of the existing tertiary filters including electrical controls and yard piping.

The above named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Anita E. Robertson, P.E., Supervisor
